

Use this pattern to create a simple wall or door hanging, or other decor.

Suggested materials: 1/4" or 1/2" Baltic Birch Plywood, solid lumber, colored acrylics, or plexiglass.

After cutting, trim all edges with razor knife and sand with 150 grit sandpaper. Stain or paint the plywood. Finish with clear sealer.

Add small metal hanger to back if desired. OR, cut trunk at broken line on bottom to slip into a base. See WP-1815 for a couple of base ideas.
